NAoMe Newsletter, October 2025

Highlights

- 1** Quarterly Data Dashboard
- 2** State of the Nation Report
- 3** Upcoming Publications
- 4** Data Quality Working Group

Quarterly Data Dashboard

The latest NAOme Quarterly Report was published on the 9th of October 2025 and includes Cancer Alliance and individual trust-level data.

- What's available for your NHS organisation:
- Data completeness on key data items for people with *de-novo* metastatic breast cancer.
 - Two performance indicators for patients with *de-novo* metastatic breast cancer:
 1. Multidisciplinary Team discussion
 2. Death within 30 days of a chemotherapy cycle.

Access the Quarterly Report [HERE](#).

State of the Nation Report

The NAOme State of the Nation 2025 report and supplementary materials are available [HERE](#).

- What's included:
- National data for key performance indicators in metastatic breast cancer care
 - A comprehensive data table showing individual results for each NHS breast unit
 - Recommendations to support quality improvement in your organisation
 - A detailed methodology document

A patient and public-friendly version of the report, developed in collaboration with the NAOme Patient and Public Involvement Forum, is available [HERE](#).

 Upcoming Publications

Next Quarterly Reports:
January 2026
April 2026
State of the Nation Report:
September 2026 (TBC)

Data Quality Working Group

The NAOme Data Quality Working Group met in September 2025. We were pleased to welcome Dr Damien Bennett and the team from the Northern Ireland Cancer Registry, who shared findings from their Metastatic Breast Cancer Research Audit.

Presentations and Events

NATCAN webinar – 13th October 2025
Jemma Boyle, Senior Clinical Fellow, presented key findings and recommendations from the 2025 State of the Nation report. Recordings available [HERE](#).

The Royal College of Radiologists lunchtime webinar – 17th October 2025
David Dodwell, NAOme Clinical Lead presented key findings from the 2025 State of the Nation report.
