NAoPri Newsletter, October 2025

Highlights

- 1 State of the Nation Report
- 2 Quarterly Data Dashboard
- 3 Upcoming Publications
- 4 Presentations and Events

State of the Nation Report

The NAOpri State of the Nation 2025 report and supplementary materials are now available [HERE](#).

What's included:

- National data for key performance indicators in primary breast cancer care
- A comprehensive data table showing individual results for each NHS breast unit
- Recommendations to support quality improvement in your organisation
- A detailed methodology document

We've also published a patient and public-friendly version of the report, developed in collaboration with the NAOpri Patient and Public Involvement Forum. Access the patient version [HERE](#).

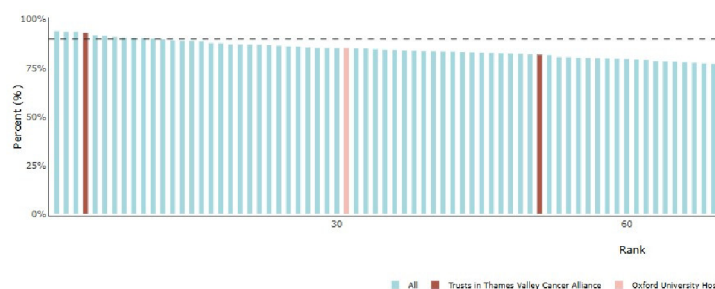

Quarterly Data Dashboard

The most recent NAOpri Quarterly Report was published on the 9th of October 2025 and includes Cancer Alliance and individual trust-level data. You can access the Quarterly Report [HERE](#).

Access results for your organisation including:

- Three performance indicators
- Five data completeness indicators
- Downloadable reports

National Audit of Primary Breast Cancer - Quarterly Report (1st April 2023 to 31st March 2024)
